Does your child turn three between April and December 2018? If so this may be of interest to you!!!!

Dear Parents

20th March 2018

I am writing to make you aware of an opportunity that will be available to you as parents of three or nearly three year olds. As you know we have an afternoon Wraparound Care facility. As of next term we will be able to offer a Nursery placement (using the 30 hours funded by the government or by paying should parents wish to) for 5 days a week for any child who turns 3 between April and December 2018. Children can access this funding from the moment they turn three, although we would expect that they are toilet trained, notwithstanding we understand that all little ones can be prone to toileting accidents from time to time.

These children may be those due to start school Nursery in September who require a placement for the Summer Term only or those that have narrowly missed out on a Nursery place for the 2018-2019 academic year due to their age, but may well benefit from and be ready to attend a school based Nursery setting.

Sessions will take place in our newly refurbished Wraparound Care setting (adjoining school Nursery) and will run from 8.45am-3.30pm with parents having the option to pay for lunch for their child in addition should you wish to take advantage of this. Lunch costs £2.10 per child per day or you can choose to bring a packed lunch.

We do only have a limited number of placements to offer initially so if you would like your child to take advantage of this facility please do return the slip below to school by Friday 13th April 2018 and share your contact details and pupil information. In turn we will use this to contact you to arrange for you to visit the setting within the school day should you wish to and answer any questions you may have.

Please do contact lindsey.richards@st-nicholas.staffs.sch.uk or 01902842998 should you have any queries about this provision that you would like to explore in more detail. We will be happy to help?

Best wishes

Miss J Parker
