Friday 8th June 2018

Dear Parents

We hope you had an enjoyable half term and bank holiday weekend with the children. It was an interesting week of weather to say the least, but the children have returned to school rested nevertheless.

This week we had our class photos. I can confirm that approx. 99% of parents consented to their child participating in class photographs as part of our new GDPR consent process and so as such we will continue to offer this next year. Should there be any notable decrease in uptake we will review accordingly year on year.

Tonight we have our school disco, an event which is always well attended and a lot of fun for the children. Thank you to the PTFA and staff who attend to ensure the evening runs smoothly. Timings for this are as below:

Nursery and Reception – 3.30-4.30pm

Year 1 and 2 – 5.30-6.30pm

Year 3 and 4 – 6.45-7.45pm

This week we held our PTFA meeting on Wednesday evening in school to organise and put in place arrangements for the Summer Fayre. Please note that contrary to the calendar list that was sent home in our last newsletter the Fayre will take place on Friday 29th June 5-7pm and not Friday 6th July as published. Apologies for any confusion caused. As usual we will have our renowned Summer Fayre dances with a World Cup theme which will be performed at 6pm in year group order, starting with Nursery and Reception. Please do ensure your child is at the Fayre and up on the field ready to be called to dance by 6pm, we know it upsets children and parents when they miss their opportunity to perform, but we cannot wait for individuals.

This half term as always is action packed. Please do get involved in as many of the social opportunities as possible. Details of Sports Days have already been published online and can be found again [here](#).

Have a lovely weekend.

Best wishes

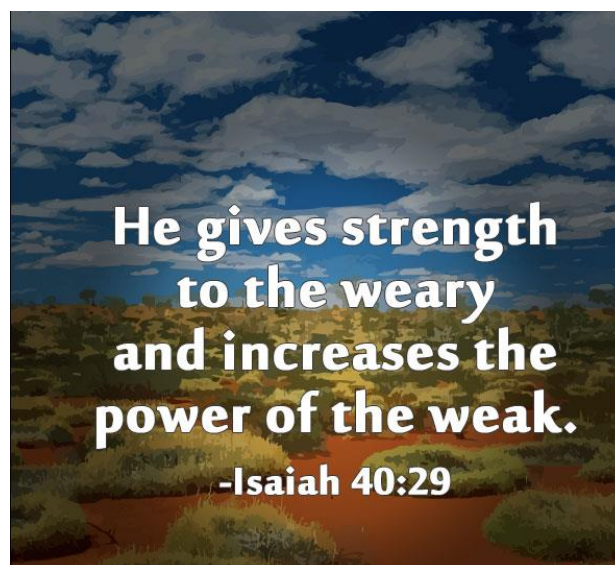

Miss J Parker

Class Arrangements For September 2018

We will be starting to implement transition programmes in school over this term to ensure that teachers have an opportunity to meet their new classes and familiarise themselves with class dynamics and abilities etc in advance of September. We do not intend on changing any physical classroom bases this year, by this we mean that current Year 2 classrooms for example will be next year's Year 2 classrooms. Please don't worry though your child will be shown their new room and entrance and exit as part of their transition day.

In addition to staff mentioned above, at times children in some classes will be taught by other specialist teachers e.g Mrs Carey for Dance and Music lessons, Mrs McKinnon for Forest Schools and Miss Griffiths for RE, PSHCE and Music. As a school we prefer to cover classes for things such as Assistant Head Teacher leadership time, Newly Qualified Teacher Time and so on using staff that are known to the children who are experts in a particular field where we can. Please see individual class newsletters for more information about this for your child in September.
