Dear Parents

Firstly, a reminder that this evening we will enjoy our annual PTFA Summer Fayre at St Nicholas, we hope to see lots of you there! Gates will open at 4.30 and the event will finish at 7pm. Any help after the event to tidy up will be greatly appreciated and will mean both PTFA and staff can get home and start their weekend as early as possible. If you can volunteer a bit of time or muscle please see Miss Parker, Miss Pugh or Louisa Griffiths who will be happy to get you involved! Thank you to members of Lloyd Banking Group who volunteered their services in setting up during the day.

The children have been working on their World Cup themed dances with Mrs Carey and will be performing those in year group order from 6pm promptly. Children should wear appropriate Summer clothing, although I would expect that many will have football kits on etc.

Well done to Year 2 who enjoyed their well-earned trip to Baggeridge Country Park this week to do some pond dipping. In very warm conditions the children managed brilliantly and learnt a lot about pond life and nature in the process.

Also this week we were treated to a performance from our very own Theatre Company who performed Matilda down at Codsall High School. As usual the standard of singing and acting was outstanding and the children were a credit to Mrs Carey and the school. A big thank you to the Inflatable Sponsored Runners for their donation towards microphones which will also be used in our Year 4 Leaver's Play!

I am very proud this week of the Year 4 children who came back from their taster days at their respective Middle Schools, full of excitement and enthusiasm, but also pleased to have 3 remaining weeks with us! It is hard to believe where this year has gone! Next week they return for a further induction day at Middle School on Wednesday 4th July and this will be the day all of our children move up into their new classes to meet their new teachers and try out their new rooms and routines etc. Children will come to their normal classroom in the morning and be dismissed by their normal teacher also.

Next week parents should look out for school reports being sent home. There will be an opportunity to come in and look at books in an informal, non-appointment classroom visit thereafter on Monday 9th July between 4 and 6.30pm. Teachers will be available for a chat, but should any family feel that they require a more private discussion about their child, we would ask that this is arranged at a mutually convenient time (in advance of the 9th) with the class teacher.

Have a lovely weekend,

Best wishes

Miss Parker/Miss Pugh

Well done to our Tag Rugby Team who played in the heat this week and beat Corbett Primary School as part of a friendly match.

When you go online in a public place, for example by using a public Wi-Fi connection, you have no direct control over its security. Corporate cybersecurity experts worry about "endpoints" - the places where a private network connects to the outside world. Your vulnerable endpoint is your local Internet connection. Make sure your device is secure, and when in doubt, wait for a better time (i.e. until you're able to connect to a secure Wi-Fi network) before providing information such as your bank account number.

A high standard of behaviour is a pre-requisite for your child's attendance at after school activities.

Mr Mills, the school and other providers reserve the right to withdraw provision if a child's behaviour compromises the enjoyment or progress of a club for other children. We would hope that this is never needed.

Where days have changed with providers from this year's days this has been outside of the school's control. We hope that by providing you with information about our clubs in advance of September this aids parents in planning what their child might like to be involved in, as well as organising any arrangements for childcare.

Clubs will not be bookable until the first week of term and parents will receive a text by Friday 7th September confirming their child's allocation of a place with a provider.

Due to the payment administration system we are unable to book children in this side of the holidays, unfortunately.
