Dear Parents

This week has raced by after a glorious long weekend. The children seemed to have enjoyed the bank holiday fun, BBQs, paddling pools and for some of course the Wolverhampton Wanderers celebrations on Monday! I hear that the PTFA Gin Night went well and would like to thank the team for putting on yet another event for the benefit of the school.

This week our Year 2 children began their SATS assessments in school and we are proud of the way the children have settled in the warmer weather conditions to show off their best. Please do your utmost to ensure children in Year 2 are in school every day over the next few weeks to ensure that they do not miss any of these assessments as they must be carried out within a certain time frame. Thanks for your help with this.

You will find in your child's bag this week a parent questionnaire which we hope you will complete and send back to school to help us plan how to develop further. Additional copies can be requested from the school office as required.

You will recall some time ago we sent home a parent questionnaire about Health. Please see results from this below.

How Health aware do you feel we are as a school in the following areas?

Using this information governors and senior leaders have started to formulate the school's Sports Premium Plan to build upon the comparatively weaker areas from the survey. As such we are planning to offer an indoor nurture provision from September to work to support children's emotional wellbeing and social development, alongside maintaining a focus on physical health and general fitness. The work of Mrs Lowe and her lunchtime team has really helped improve physical activity at lunchtime and it is wonderful to see so many activities on offer to the children and the impact that this has had on reducing accidents and incidents.

Next Tuesday two Y3 pupils Joel and Brooke would like to carry out a book recycling sale during the school day. They planned and organised the event independently and we think it is a wonderful idea. As such children are invited to bring in to school a used book that is in good condition which will be sold for 50p in a little sale. Children are invited to bring 50p to school to take part in the sale on Tuesday if they would like, as well as a book donation for the sale on Monday 14th May, in readiness for Tuesday. Where possible can we ask that exact change and no notes are brought in to school please. Any monies raised the children have committed to be spent on new reading books (chosen by the children). We hope you will support them with their endeavours!

Final date for return of sponsor monies and forms from our sponsored reading event is this Friday (today), however we will accept any last minute ones in after the weekend for anyone that might have forgotten. A big thank you to all who have supported this! I will announce funds raised and donations provided by Usborne books once we have totals in.

We look forward to inviting David Ingleby the new school photographer in to school in coming weeks. Thank you to everyone who has returned their child's consent form to be photographed, without this as explained in the letter, we are unable to take your child's photo in a group picture as we are unable to determine where the photo may later be published or shared (with family members/social media etc)

Best wishes Miss J Parker Head Teacher

A big well done to our Cricket team who came 2nd only to large Primary School Westfield in their tournament this week. The team have qualified for the next round of the competition! Our over-sized cricket whites must have been part of the winning formula. 😊 Particular special mention to Christian Thornton who was man of the tournament for great play and a brilliant attitude!
