

Dear Parents,

We are writing to invite you to a short presentation next week to find out what it means for your child in Year 2 with the national statutory assessments that are undertaken in the Summer Term.

We will share the format of these with you, as well as be able to answer any questions you have as to how you can support your child during the year. We will be offering a daytime session as well as an evening session which we hope may be of interest to you.

The date of these meetings will be Tuesday 27th January 2.30-3.30pm and 6-7pm.

Please return the slip below to register your attendance.

Best wishes

Miss J Parker
Head Teacher
