

We will try to keep windows and doors shut when the **heating** is on and turn it off when we don't need it.

We will **collect rainwater** and use it to water plants and our fruit and vegetables.

We will **turn off the IWB and computers** when we are not using them.

We will try our best to walk or cycle to school and take part in **exercise** regularly.

We will **turn off lights** when we are not using them and use **natural light** when we can.

We will **turn off taps** when we have finished using them.

Our Eco-Code

We will try our best to make **healthy choices** for snack and lunch and drink lots of **water**.

We will **grow our own fruit and vegetables** and use our **compost bins**.

Genesis 2:15 "The Lord God took the man and put him in the Garden of Eden to work it and keep it."

Proverbs 27:18 "Whoever tends a fig tree will eat its fruit, and he who guards his master will be honored."
